RE: SAFETY HEALTH AWARENESS RESEARCH PROGRAM (SHARP)
CONTRIBUTIONS

(VIA E-MAIL & POST)

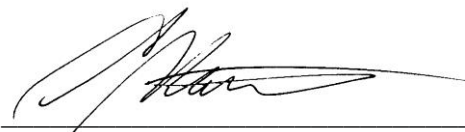

Gentlemen and Mesdames,

Please be advised that based on current levels in the SHARP Fund, it has become necessary to increase the contribution rate from \$.005 to \$.01 per hour, as per your respective Collective Agreements.

A new self-report form will be sent to you later this month which will include the new contribution rate of \$.01 (reporting for January hours).

We will revert to \$.005 as soon as appropriate in keeping with the Collective Agreement.

If you have any questions, please do not hesitate to contact the CONIFER office.
