TO: All Member Companies

It has been some time since members have been able to access the 'Members Only' portion of the CONIFER website for the purpose of accessing the CONIFER Administration Manual. I am pleased to report that you will have access to the website once again.

The issue in generating individual member company usernames and passwords has been related to website security. Rather than continue to try and find a solution to this ongoing technical issue we have changed the layout of the website to provide access via one password for all members. To access the website, go to <https://conifer.ca/>. Navigate to the 'Members Area' page at the top of the website and enter in the following case sensitive password:

CONiFeR756*{+

This will provide you with full access to the CONIFER Administration Manual.

If you have any questions, please contact myself at (250) 564-5166.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cam Meroniuk", is written over a horizontal line.
