Guidelines:

The administration of this Supplement No. 4 should be done with consideration of the content under Article XXI (Apprenticeship Training Program) of the Collective Agreement. A Letter of Understanding dated December 22, 1994 (included and referenced under Tab 21) operates as an addendum to Supplement No. 4, Article IV, Selection of Apprentices.

CONIFER members are cautioned that this is quite a historical document and much of the basis for the substance has changed; for example, training schedules are now clearly governed by Skilled Trades BC.

During negotiations leading to the 2023 - 2027 CA, CONIFER proposed to have a discussion with the Union on Supplement No. 4 with a view to contemporizing the content through appropriate amendments. The Union was not receptive to the suggested initiative, hence Supplement No. 4 content remained unaltered. Due to the degree to which the content is largely obsolete, this Supplement will be flagged again for consideration by the CONIFER negotiating committee for 2027 renewal negotiations.
